

Jersey Independent and Daily Telegraph - Saturday 13 July 1895
COPPER MONEY.

To the Editor,

Sir, —Any one in business will agree with me as to the enormous amount of Jersey copper money just now in circulation.

Yet the States appear to be still issuing this useful, but at times inconveniently bulky coin!

Is there remedy for this state of things?

Yours respectfully,

A Tradesman.

July 6th, 1895.
