£3,000 WORTH OF JERSEY COPPER MONEY

The Greffier read a Projet d'Acte of the Finance Committee recommending that a sum of not more than £3,000 in Jersey copper money be put in circulation.

The Projet d'Acte on the proposition of Jurat W Duret Aubin was unanimously lodged au Greffe.

Jurat W Duret Aubin said there were two more Acts of the Committee, and they would then have finished with the finances.

The Rector of St. Saviour: Do you mean that you will then have exhausted the public purse? (Laughter)
